PROCEDURE

The Human Resource (HR) Coordinator will assign annual trainings in January with a six-week deadline to complete. The HR Coordinator will notify the supervisor if an employee has not finished their trainings.

Annual employee performance evaluations will be done in the first and second quarter of the calendar year. The HR Coordinator will email staff the Professional Development Tool form and job descriptions. All staff must complete the form and email it to their supervisor within 30 days. Supervisors will have 60 days to complete evaluations and meet with staff. All annual evaluations will be completed by June 30.

Step increases will occur on an employee's date of appointment, if the employee is in "good standing" at NorthCare, and follow NorthCare's Compensation/Pay Philosophy Policy.

An evaluation will be completed at the end of an employee's probationary period as outlined in the Initial Employment (Probationary) Period Policy.
