

Person-Centered Planning

Your Decisions, Your Choices

Person-Centered Planning (PCP)

is a process that gives **YOU** the ability to **make choices and decisions** for your care services that match **your goals and values**.

- PCP puts **YOU** first.
- PCP focuses on what **YOU** CAN do.
- PCP allows **YOU** to make choices and guide your treatment as often as you like.
- PCP includes your **personal support system** in the community that provides meaningful activities and shared experiences.
- PCP gives **YOU** control of outcomes.

It's Your Choice.
