POLICY

It is the policy of NorthCare Network and all Network Providers to assure that approved informational materials are available throughout the communities it serves in places frequented by its Consumers in order to educate them about Specialty Mental Health and Substance Use services available to them and how to access those services.

PURPOSE

The purpose of this policy is to outline requirements to ensure that all customer educational materials (both written and on the NorthCare Network website) and other general written communication accurately and clearly represent the activities/services provided by NorthCare Network and Network Affiliates. Documents, as appropriate, will indicate that they were paid for with funds from the Michigan Department of Health and Human Services.

DEFINITIONS

1. ***Customer Education Materials:*** written brochures and flyers that detail what the Prepaid Inpatient Health Plan can do and how to access services.
2. ***Marketing:*** Marketing and advertising practices are defined as those activities used by NorthCare Network to educate the public, provide information to the community, and increase awareness of services, and recruit employees or contractual providers.
3. ***NorthCare Network Customer Handbook:*** A written publication that details to the consumer in an understandable manner their behavioral health benefits, how to access care, who the network providers are, how consumers can make complaints, file grievances and appeals and informs the consumers of their rights and responsibilities.
4. ***NorthCare Network Provider Directory:*** The contact information and services offered of providers that are part of NorthCare Network are listed in the Provider Directory, paper directories are updated at least monthly. The most recent version can be located on the NorthCare Network website: www.northcarenetwork.org

5. **Plain Language:** Communication that uses short words and sentences, common terms instead of medical jargon, and focuses on the essential information customers need to understand.
6. **Health Literacy:** The degree to which individuals have the capacity to obtain, process, and understand basic health information and services needed to make appropriate decisions regarding their health.

PROCEDURES

- A. Each new PIHP consumer will be given a NorthCare Network Customer Handbook at the time of intake orienting them to the covered services, how to access the services, a statement of their rights and responsibilities including the right to Person Centered Planning, Grievance and Appeals Process including numbers to call if they have questions and offered a list of network providers.
- B. NorthCare Network will implement safeguards to ensure that all Customer marketing, information, and other general communications material accurately and clearly represent the activities/services provided by NorthCare Network and delegated entities.
 1. All marketing, informational and general communication material will accurately represent:
 - a. Benefit plans
 - b. Participating provider availability and accessibility
 - c. Plan coverage, including any exclusions and limitations
 - d. Administrative requirements
 2. Materials that are routinely created by NorthCare Network (for example conference brochures or newsletters) will be reviewed by the functional area leader for accuracy and other NorthCare Network staff as deemed necessary.
 3. Marketing, information, and communication materials intended to be distributed to members or potential members will be reviewed by the appropriate standing NorthCare Network Committee. Determination of the clarity and accuracy of the materials will be documented in the committee minutes.

4. If the materials are determined to be clear and accurate, the materials will then be printed and distributed to appropriate outlets (e.g. Member CMHSPs).
 5. If materials are not approved, the reasons for denial will be documented and correction will be implemented. Once materials are corrected based on feedback, the materials will be reviewed again by the NorthCare Network committee prior to distribution.
 6. NorthCare Network utilizes the Annual NorthCare Network Newsletter for targeted communication and outreach to consumers. Individuals must meet the following criteria:
 - a. have Medicaid
 - b. received services at their local Member CMHSP or Substance Use Disorder Provider in the past three months (prior to the mailing)
 - c. reside in the Upper Peninsula of Michigan
- C. NorthCare Network Customer Services Specialist will review all consumer materials for use of plain language.
1. Plain language will be used in consumer marketing materials when possible to strive for a 4th grade to 6th grade reading level.
 2. Plain language will be used by staff when interfacing directly with, or in written materials provided to customers, when possible, to strive for a 4th grade to 6th grade reading level.
 3. NorthCare Network Customer Service Specialist will strive for 4th to 6th grade reading level for all NorthCare Network marketing materials produced for customers, annual newsletters, and NorthCare Network Customer Handbook.
 - a. Customer documents will be scanned for reading level (Flesch-Kincaid Grade Level). If documents are not between the 4th – 6th grade reading level, documentation will be kept as to why the grading level cannot be met and/or the documents will be reviewed/edited by the NorthCare Network Customer Services Committee.
- D. NorthCare Network Customer Services Specialist will ensure that all marketing material produced for customers are in 12-point font.
- E. NorthCare Network Customer Services Specialist will maintain documentation of all approved and distributed material for monitoring and tracking of the material. The Customer Service Specialist will review the material at least annually to monitor all approved existing materials for accuracy. If the materials become outdated, otherwise misrepresent NorthCare Network or delegate services, or other problems with the material are detected, the NorthCare Network Customer Services Specialist will take immediate action to correct or rescind the material as needed.
1. Each Member CMHSP will be responsible to keep the places in the community they designate supplied with NorthCare Network marketing materials.
 2. The NorthCare Network Customer Service Specialist is responsible for having the materials designed and disseminated to the local Member CMHSPs.

- F. NorthCare Network will assure that all individuals enrolled in Medicaid who are seeking, inquiring about, or receiving Specialty Mental Health services be issued a current NorthCare Network Customer Handbook and offered a list of approved providers at intake for services, or no longer than three (3) business days after a request is made for one. The NorthCare Network Customer Handbook and the Member CMHSP Provider Directory will also be given to individuals receiving services no less than annually at the Individual Plan of Service meeting.
1. All NorthCare Network Member CMHSPs and designated network providers will present a NorthCare Network Customer Handbook at Intake and annually and answer questions as necessary. The Handbook is also available at any time, upon request.
- G. The individual Member CMHSPs will assure that current PIHP marketing/education materials are placed at sites where consumers may frequent, at minimum:
1. Drop In Centers
 2. All NorthCare Network's network provider facilities within the coverage area
 3. Customer Services will mail materials to any person within the coverage area who requests such within three (3) business days.
- H. The NorthCare Network Customer Service Specialist will assure that the NorthCare Network Customer Handbook and marketing materials are understandable to consumers and contain what they need by:
1. Including consumer suggestions from the annual MDHHS customer satisfaction survey.
 2. Including the NorthCare Network Customer Service Committee in a review of the NorthCare Network Customer Handbook annually.
- I. The NorthCare Network Customer Handbook will be updated and approved as needed. The Provider Directory will be updated according to the Provider Directory Policy and posted to the NorthCare Network website at: www.northcarenetwork.org
1. Customer Services will review the covered services and MDHHS regulations yearly and include the changes in the most current edition of the NorthCare Network Customer Handbook.
 2. The NorthCare Network Customer Service Committee will review the Handbook more often, or as needed, if there are significant changes to the document.
 3. Customer Services will assure that handbooks are available in print and an audio version is available on the NorthCare Network website at: www.northcarenetwork.org
