PROCEDURES

The PIHP shall establish procedures and protocols consistent with MDHHS funding guidelines in the setting of a fee for service schedule and cost analysis of same. The CFO shall utilize documentation provided by MDHHS as a tool to set rates for specialty services provided to the region's beneficiaries based upon sound documentation and according to Generally Accepted Accounting Principles (GAAP).

The PIHP shall maintain documentation regarding how each of the unit rates used in its agreements was established. The process of establishing and adopting rates must be consistent with criteria in OMB Uniform Guidance 2 CFR Part 200, whichever is applicable, and with the requirements of individual fund sources.

The PIHP shall review contractor provider indirect cost documentation in accordance with OMB Uniform Guidance 2 CFR Part 200, as applicable.

The CFO shall routinely monitor cost analysis data to assure service provisions meets quality standards within the established rate parameters.

The CFO shall also monitor cost analysis reports to detect instances of fraud, waste and abuse and maintain appropriate financial risk protection.
