PROCEDURES

NorthCare Network will maintain a liability policy to cover such items as the NorthCare Network's vehicles, other property, and its employees. Coverage to employees (to include professional liability) is offered only during the hours the employee is performing work under NorthCare Network and under their scope of practice. Details of the coverage can be obtained from the Human Resources Specialist.

Employees who are working outside of NorthCare Network (either on a paid or volunteer basis) are not covered under the NorthCare Network Liability umbrella during these times. For Clinicians, this includes Professional Liability. Any employee functioning outside of NorthCare Network in a clinical capacity is responsible for their own coverage.
