APPLIES TO

NorthCare Network Personnel
Network Providers

POLICY

It is the policy of NorthCare Network to promote system efficiencies at all levels of service delivery and management. Regional and State-wide reciprocity expectations are required with a goal to prevent duplication and unnecessary repetitive use of scarce public resources at all levels of management and operation of provider networks.

PURPOSE

To comply with state and federal regulations and mandates, and to ensure overall quality and consistency of provider network management.

DEFINITIONS

Efficiencies: Reduction in or best use of staff time, cost or other resources.

Reciprocity: Process whereby corresponding status is mutually granted by one system to the other.
