APPLIES TO

NorthCare Network Volunteers, Students and Interns

POLICY

NorthCare Network may allow volunteers, students, or interns to participate in clinical and/or administrative functions. All volunteers, students, and interns must comply with all applicable federal and state laws, rules and regulations; NorthCare Network policies, including but not limited to personnel, qualifications, background check requirements, training and supervision standards.

PURPOSE

The purpose of this policy is to provide guidance in the hiring and supervision of volunteers, students and interns at NorthCare Network.

DEFINITIONS

- 1. **Volunteer** An individual who performs or offers a service of his/her own free will without an expectation of compensation or reward.
- 2. **Student and/or Intern** An individual who participates in an internship or field of study for academic credit from an accredited college or university without an expectation of compensation.
- 3. VSI Volunteer, Student, or Intern.
